Schedules to Accounts for the year ended March 31, 2016

12. Notes to Accounts

Trust Information

The AASRAA TRUST was created on March 12th, 2009, with the object of Social and Educational upliftment of children living in slums. The Trust aims at providing them elementary education, sensitizing them towards health and hygiene, and improving employment opportunities for them. It is registered u/s 12A and 80G of the Income Tax Act 1961 and enjoys exemption from payment of Income Tax u/s 11 of the aforesaid Act.

Significant Accounting Policies

1. Basis of Accounting

The attached accounts are general-purpose accounting statements and have been prepared following the Indian Generally Accepted Accounting Principles (GAAP). Accounts are made on the accrual basis of accounting following the historical cost convention. The GAAP's have been followed consistently to the extent applicable to the Trust and are reviewed by the members from time to time.

2. General Fund

This fund comprises of the accumulated balance surplus/deficit over the years as transferred from the Income & Expenditure Account.

3. Fixed Assets

The Fixed Assets are valued at cost less depreciation.

4. Depreciation

The assets are charged with rates of depreciation prescribed by the Income Tax Act, 1961; such rates are applied to the written down value of the assets as at the beginning of the year and to any additions thereof. The rates are considered adequate by the management to provide for the diminution in the value of the assets.

Depreciation on assets funded by specific grants is charged to Fixed Assets Capital Fund created on acquisition of such assets, and not to the Income & Expenditure Account.

AASRAA TRUST 119/1, VASANT VIHAR DEHRADUN, UTTARAKHAND

Schedules to Accounts for the year ended March 31, 2016

5. Revenue Recognition

Revenues are recognized on accrual basis that is as and when due rather than as and when received. This is as per AS-9 on "Revenue Recognition".

6. Revenue from Grant

Grants are held as liability in the books of the Trust to represent the obligations attached to it. The amount spent against the grant is recognized as Income in the revenue account to liquidate the expenses so incurred. The balance is carried forward as a liability in the Balance Sheet.

7. Investments

The investments of the Trust have been made in the modes prescribed under section 11(5) of the Income Tax Act, 1961.

8. Figures have been rounded off to the nearest rupee.
