We conducted our audit in accordance with the Standards on Auditing prescribed by the

ethical requirements and plan and perform the audit to obtain reasonable assurance about
whether the financial statements are free from material misstatement.

14. Notes to Accounts

Trust Information

The AASRAA TRUST was created on March 12th, 2009, with the object of Social and Educational upliftment of children living in slums. The Trust aims at providing them elementary education, sensitizing them towards health and hygiene, and improving employment opportunities for them. It is registered u/s 12A and 80G of the Income Tax Act 1961 and enjoys exemption from payment of Income Tax u/s 11 of the aforesaid Act.

Significant Accounting Policies

1. Basis of Accounting

The attached accounts are general-purpose accounting statements and have been prepared following the Guidelines issued by the Institute of Chartered Accountants of India on Accounting by Not for Profits. Accounts are made on the accrual basis of accounting following the historical cost convention. The accounting policies have been followed consistently to the extent applicable to the Trust and are reviewed by the members from time to time.

2. Corpus Fund

The amounts donated towards the corpus of the Trust by way of specific instruction from the donor are credited to the Corpus Fund.

3. General Fund

This fund comprises of the accumulated balance surplus/deficit over the years as transferred from the Income & Expenditure Account.

4. Fixed Assets Capital Fund

Amount spent on acquisition of Fixed Assets out of donor grants are charged to grants account with a corresponding credit to the Fixed Assets Capital Fund to record the utilization of capital grant. Depreciation on such assets is charged to the Fixed Assets Capital Fund instead of the Income & Expenditure Account. The balance in the fund represents unamortized value of assets acquired from grant money.

5. Fixed Assets

The Fixed Assets are valued at cost less depreciation.
6. **Depreciation**

The assets are charged with rates of depreciation prescribed by the Income Tax Act, 1961; such rates are applied to the written down value of the assets as at the beginning of the year and to any additions thereof. The rates are considered adequate by the management to provide for the diminution in the value of the assets.

Depreciation on assets funded by specific grants is charged to Fixed Assets Capital Fund created on acquisition of such assets, and not to the Income & Expenditure Account.

7. **Revenue Recognition**

Revenues are recognized on accrual basis that is as and when due rather than as and when received. This is as per AS-9 on “Revenue Recognition”.

5.1 **Revenue from Grant**

Grants are held as liability in the books of the Trust to represent the obligations attached to it. The amount spent against the grant is recognized as Income in the revenue account to liquidate the expenses so incurred. The balance is carried forward as a liability in the Balance Sheet.

5.2 **Contributions received in kind**

Contributions/donations received in kind in the form of durable assets are recorded on the acquisition value of the donor. Donations of revenue items are not recognized in the financial statement due to lack of reasonable basis of measurement.

During the year, the Trust received donation in kind in the form of free meals from benevolent Institutions, which was used to feed the beneficiaries of the Trust. In the absence of any reliable estimate of the value of the same, it has not been recognized in the financial statements.

8. **Investments**

The investments of the Trust have been made in the modes prescribed under section 11(5) of the Income Tax Act, 1961.

9. Figures have been rounded off to the nearest rupee.
