Innovators at Aasraa's Tinkering Lab

Aasraa's Tinkering Lab provides a platform for innovative learning, critical thinking and relevant problem solving.

220 students mainstreamed

Formal education opens the doors for increased opportunities for children coming from underserved communities. We are proud that **102 girls** and **118 boys** have been mainstreamed into the formal education system for the current academic year of 2023-24 by Aasraa.

This project is a creative utilization of waste materials... 'Best out of Waste'

**Pass Percentage of class
12th: 97%**

**Pass Percentage of class
10th: 94%**

Board results are out!

We are thrilled to announce that the long-awaited board examination results have been released! We extend our heartfelt congratulations to all the children on their remarkable achievements.

A Story of Triumph!

The resilience and determination of Piyush & Arvind, with a little nudge from Aasraa's Wings of Doon after-school program, won a coveted place at the VidyaGyan Leadership Academy, an initiative by the prestigious Shiv Nadar Foundation. This will be a life-changing experience!
