About Aasraa

Aasraa Trust was established in 2009 to work with society's most underserved. Aasraa is a vehicle for empowerment through education, skills training, nutrition, healthcare and shelter homes.

Starting with street level mobilization, Aasraa uses a multi-faceted approach that prepares children for mainstream education and transition to higher studies & skills training.

Aasraa is certified by National Institute of Open Schooling and works with the Education Department of Uttarakhand to improve the quality of education at government schools.

Technology has enhanced education at all Aasraa programs, from Mobile Learning centers to Mobile Computer Labs.

Aasraa's intervention involves a holistic, collaborative and innovative approach to empowering children and youth of Uttarakhand to lead their lives with dignity.
