# 'I AM AASRAA'

by Amit Balodi, CEO - Aasraa Trust

I am Aasraa

For the small amazing children at  
crossroads

For the children with sacks on their  
shoulders who are a boon  
for their families

I am a vehicle for breaking  
the cycle of poverty

I am an opportunity for eyes,  
dimmed with crushed dreams

Education with nutrition and  
medical care and safe shelters  
Children with a spark in their eyes &  
hope in their hearts

Education without livelihood is incomplete,  
this I know

Talent to livelihood, livelihood to dignity,  
this is my endeavour

I am the offering of a new dawn  
in their futures

Many hands have joined me  
in this sacred campaign of mine  
(in my sacred mission)

I am the chant of "no alms, only education"

I am Aasraa.

# ‘मैं आसरा हूँ’

- अमित बलोदी, मुख्य कार्यकारी अधिकारी, आसरा ट्रस्ट

मैं आसरा हूँ!

मैं आसरा हूँ, चौराहों पर विचरते नन्हे होनहारों का।  
कांधे पर कूड़े का थैला लिये, परिवार के खेवनहारों का॥

मैं वाहन हूँ, गरीबी का चक्र तोड़ते ज्ञान का।  
अवसर हूँ, वंचित आखों में दबे सपनों की उड़ान का॥

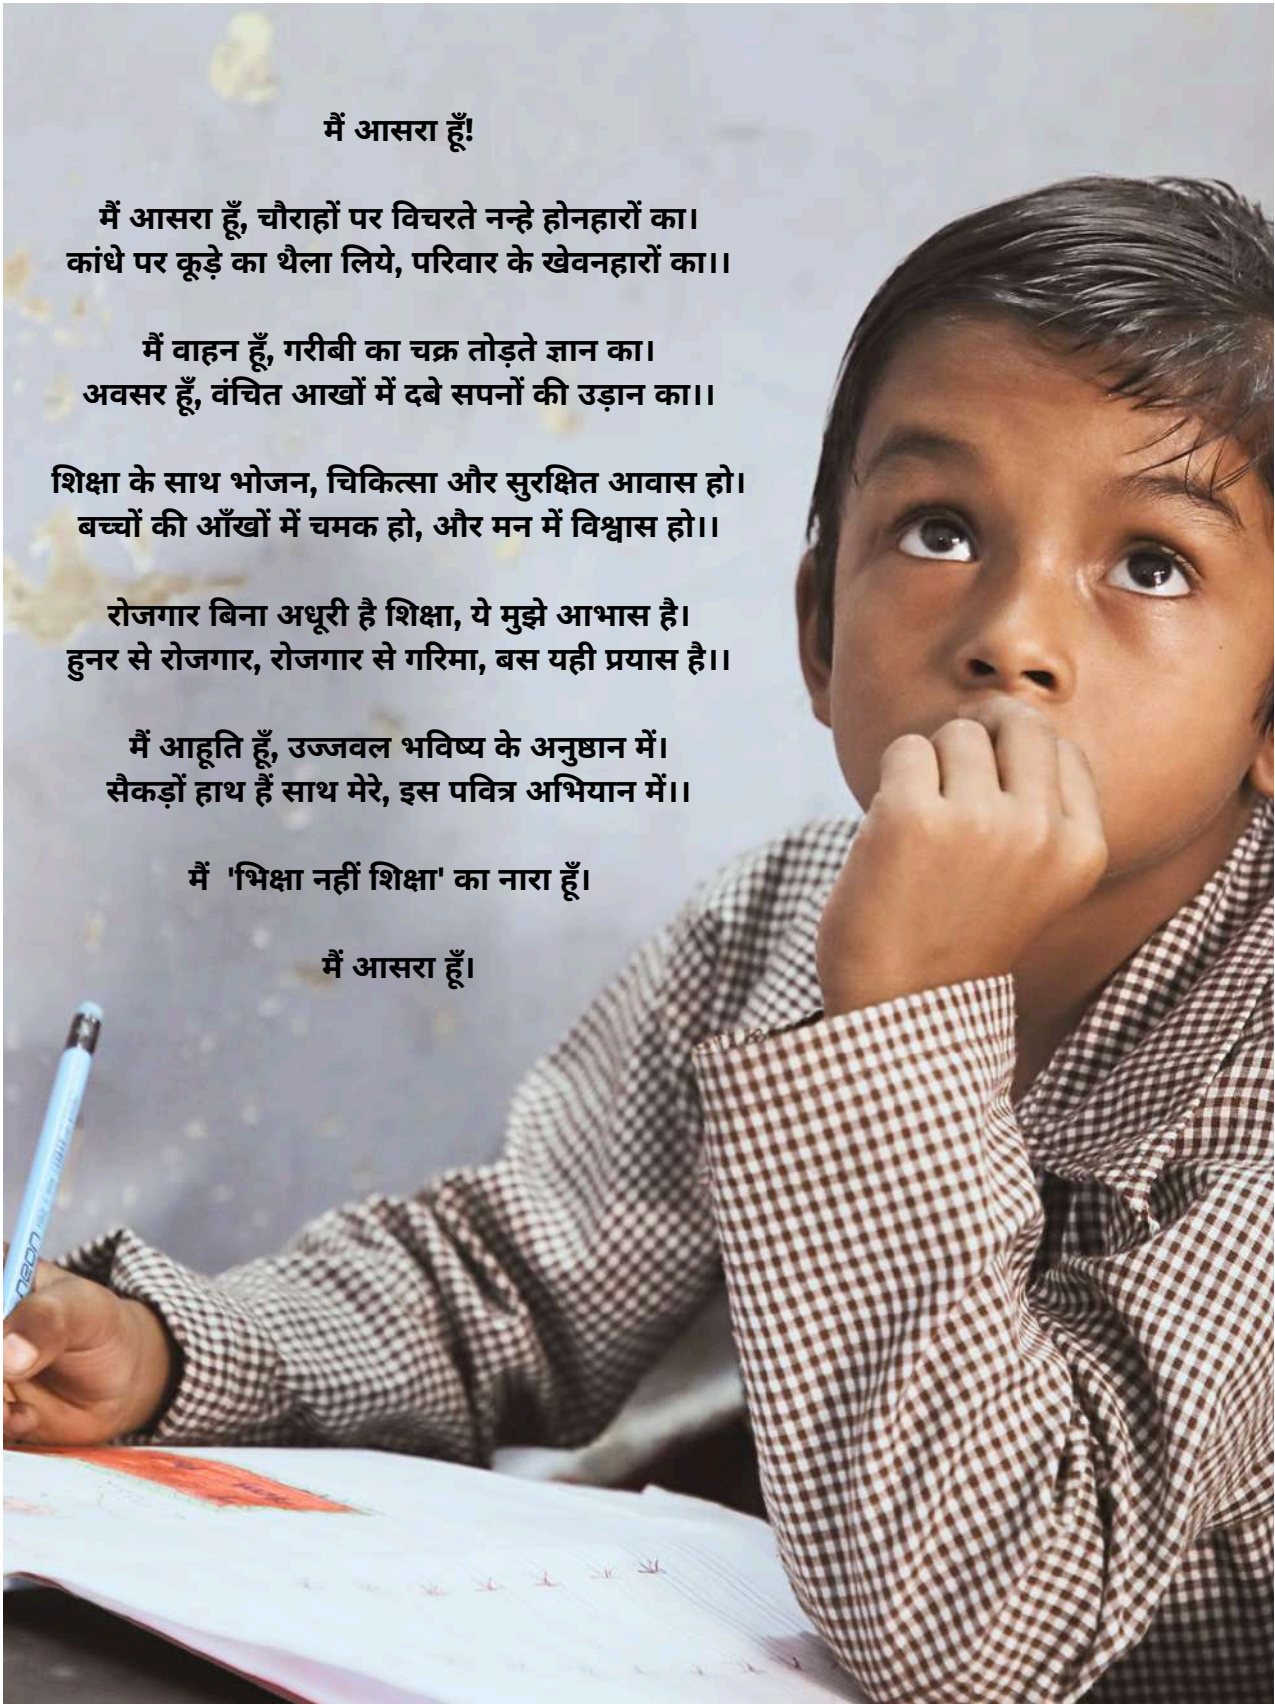

शिक्षा के साथ भोजन, चिकित्सा और सुरक्षित आवास हो।  
बच्चों की आँखों में चमक हो, और मन में विश्वास हो॥

रोजगार बिना अधूरी है शिक्षा, ये मुझे आभास है।  
हुनर से रोजगार, रोजगार से गरिमा, बस यही प्रयास है॥

मैं आहूति हूँ, उज्जवल भविष्य के अनुष्ठान में।  
सैकड़ों हाथ हैं साथ मेरे, इस पवित्र अभियान में॥

मैं 'भिक्षा नहीं शिक्षा' का नारा हूँ।

मैं आसरा हूँ।

# OUR VISION

A life with dignity for children from the streets and slums.

# OUR MISSION

To reach out to vulnerable children and give them opportunity, care and love

To empower them through education and vocational training combined with healthcare and education

To break the cycle of poverty that governs the lives of children from the streets and slums

# OUR CORE VALUES

## PARTNERSHIP

Part of our ethos is to collaborate with other equally passionate nonprofits and for profit organizations so as to maximize our impact; create awareness on child rights and education in India.

## HONESTY

We consider honesty as an integral part of our operations; from financial transparency all the way through to grass roots level interactions.

## DIGNITY

We respect the inherent dignity and worth of each and every person, and in turn each all our beneficiaries this crucial understanding.

## CAPACITY

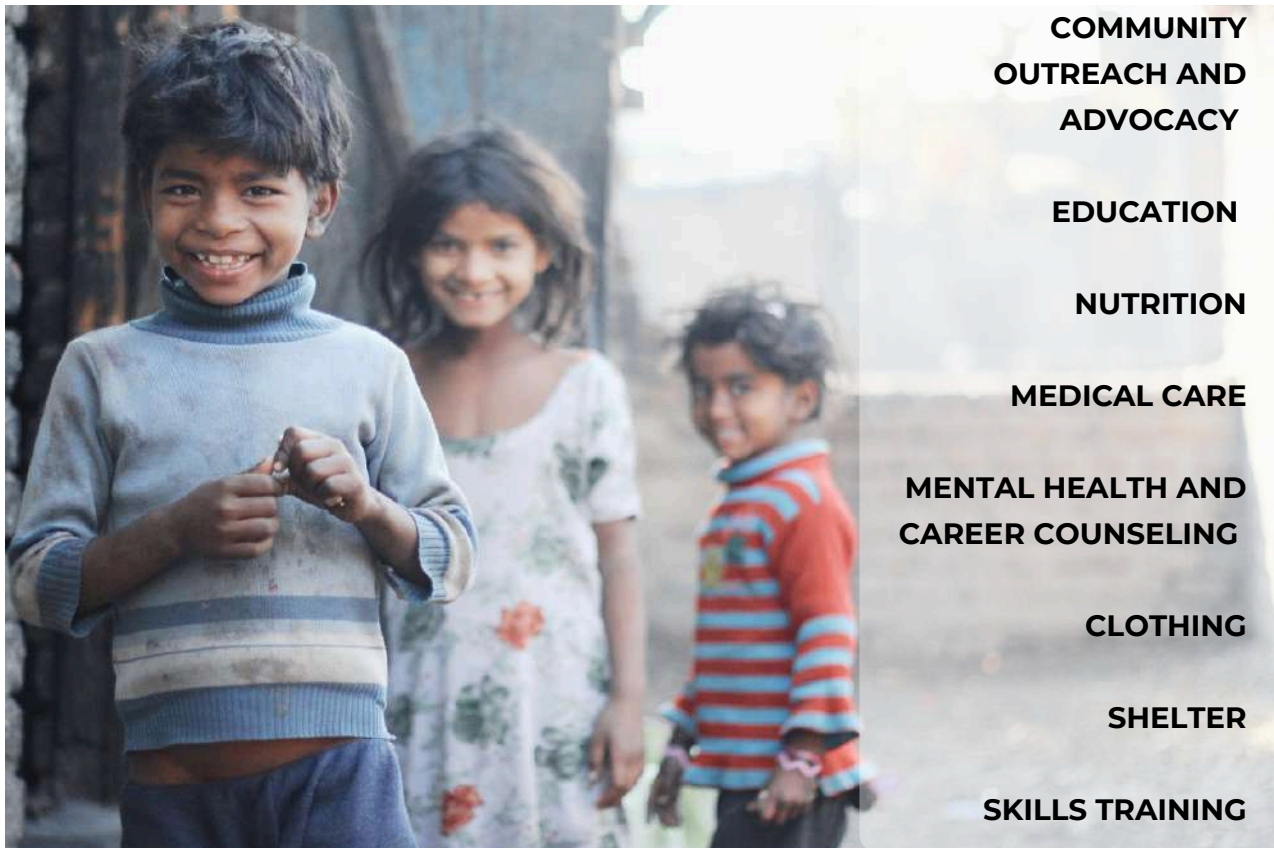

We believe in the innate capacity of children and make it part of our mission to empower them and their communities.

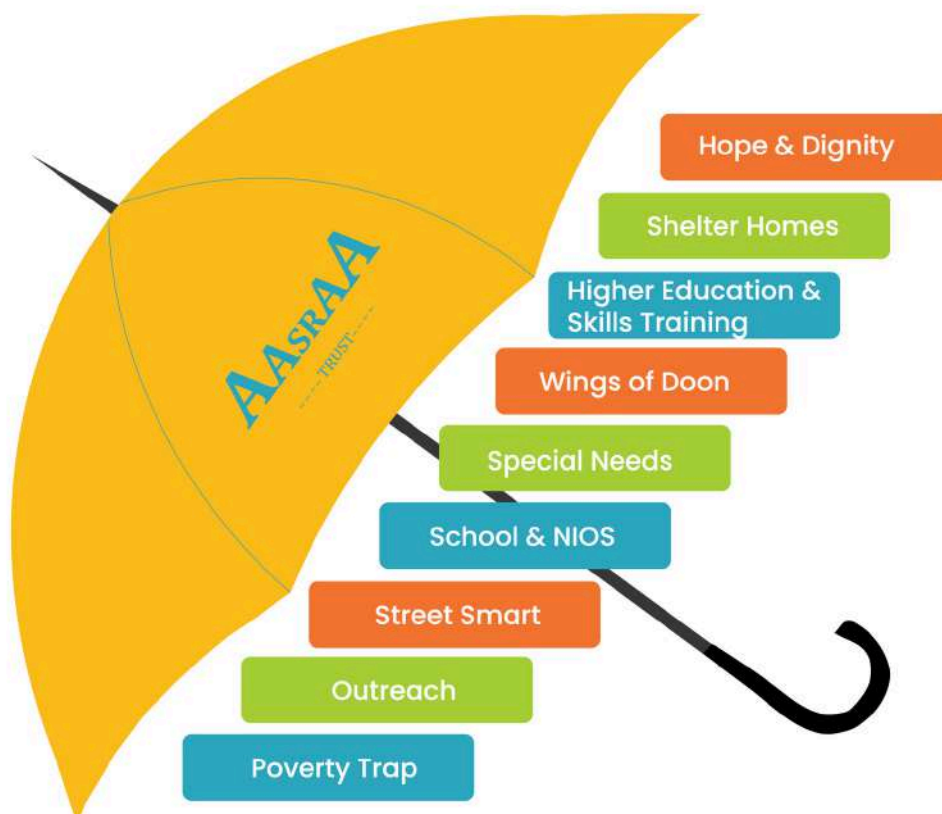

## SOLUTION ORIENTED

We are solution oriented & focus on opportunities, innovation & possibilities, instead of problems or limits.

# AREAS OF INTERVENTION

## OUR APPROACH

# THE YEAR IN REVIEW

## SCHOOL QUALITY ENHANCEMENT PROGRAM WELCOMES 3 NEW SCHOOLS

Aasraa Trust, in collaboration with the Government of Uttarakhand, the Education Department, and The Education Alliance (TEA), has taken significant strides towards transforming the educational landscape in Dehradun, Uttarakhand, India.

One of the most exciting developments this year has been the expansion of SQEP, with the addition of three new government schools to our program, namely, Govt Primary School-Chander Road, Govt Upper Primary School-Chander Road, and Govt. Primary School, Shastri Nagar.

In these newly integrated schools, we are determined to make optimal use of the six hours of school time by incorporating extracurricular activities into the curriculum. This holistic approach to education ensures the overall development of each child, nurturing their skills and talents, and breaking the cycle of poverty through the power of education.

With our focus on infrastructure, teacher capacity building, improved pedagogy, and Computer-Aided Learning, we are determined to impact the learning levels of these deserving children.

## GYAAN MANTHAN MELA 2021

On 25th September 2021, Aasraa Trust proudly hosted its first-ever Gyaan Manthan Mela, a captivating Science and Math Fest that sparked waves of inspiration across our children.

The objective was simple, yet profound – to foster curiosity, inspire creativity, and ignite the boundless imagination of our resilient young minds. And what an astounding success it was! Our little geniuses transformed into scientific explorers, venturing beyond the confines of their classrooms, and delving into a world of endless possibilities.

The #TinkeringLab, the heart of this celebration, became a hub of innovation. With nothing more than their ingenuity and readily available resources, the participants showcased their awe-inspiring talent. Live models and on-the-spot experiments came to life, each one a testament to the limitless potential hidden within these children.

## FOOD FOR THOUGHT: LAUNCH OF CENTRALIZED KITCHEN

Aasraa Trust's unyielding commitment to empowering slum and street children took a monumental leap on 2nd October 2021, with the inauguration of the Centralized Kitchen in Araghar. This transformative project, realized in collaboration with the Education Department of Uttarakhand, embodies the promise of hope and a brighter future for our young beneficiaries.

Supported by the benevolence of the Lal Family Foundation, Kilachand Family, and the PwC India Foundation, this state-of-the-art kitchen now stands as a beacon of nourishment and inspiration. It ensures increased production of nutritious food, enhancing the health, attendance, and learning capabilities of the children in our care.

Beyond a mere kitchen, this facility symbolizes opportunity—a chance for these resilient children to break free from the shackles of their circumstances. With a nourished body and a nurtured spirit, they are now equipped to dream bigger, learn better, and thrive against all odds. The Multipurpose Hall, accompanying the kitchen, serves as a vibrant space for learning and self-discovery.

Mr. Banshidhar Tiwari, Director General-Education, Mr. Sanjeev Krishan, Chairman-PwC India and Mr. Jaivir Singh, Vice Chairman-PwC India Foundation inaugurated the Centralized Kitchen and the Multipurpose Hall on 2nd October 2021.

**WITHIN ITS WALLS,  
TALENTS WILL BE  
UNCOVERED,  
DREAMS WILL FIND  
EXPRESSION, AND  
FUTURES WILL BE  
FORGED.**

## AASRAA WAS SELECTED AS ONE OF GROW'S 100!

In January 2022, Aasraa Trust was selected as one of GROW's 100 – a prestigious collection of stellar grassroots organizations from across India! The GROW Fund, initiated by the EdelGive Foundation, stands as a first-of-its-kind endeavor aimed at building a resilient civil society and empowering 100 grassroots organizations throughout India over an intensive 24-month period.

This recognition serves as a powerful testament to the tireless efforts put forth by the Aasraa Trust team, our dedicated volunteers, and the unwavering support of our generous donors.

## COLLABORATION WITH THE EMBASSY OF JAPAN IN INDIA

Aasraa Trust had the privilege to collaborate with the Embassy of Japan in India for its innovative "Education on the Move" program. Through the Embassy's esteemed Grant Assistance for Grassroots Projects (GGP) scheme, "The Project for the Provision of Mobile Learning Bus" was meticulously chosen.

On 10th March 2022, we inked a Memorandum of Understanding (MoU), marking the beginning of a joint journey to uplift the lives of the underprivileged.

## GIRLS' SHELTER HOME

With the incredible support from help alliance, Aasraa is building a haven that can support 200 vulnerable girls.

The Shelter Home will ensure that the girls coming from slums, streets, abused backgrounds or disowned due to disabilities by their families have a place they can call home.

The girls will be provided with nutritious food and ever-ready medical care apart from education.

Aasraa will also support the mental and physical well-being of the girls and engage the children in healthy conversations.

## RESCUE OPERATION AT BHAUWALA

During a humanitarian intervention, Aasraa Trust swiftly responded to the devastating fire that swept through the Bhauwala Slum in April 2022, located 20 kilometers from Dehradun's town center. With great urgency, Team Aasraa mobilized and initiated an immediate relief effort to provide vital assistance to the affected children and their families.

Through this prompt and dedicated response, we were able to reach out to over 55 families, offering them essential goods and support crucial for their survival during this challenging time.

## THE TINKERING LAB

Our most exciting project – The Tinkering Lab is under construction. It will not just be a physical space but will symbolize a world of endless possibilities for the children of Aasraa Trust. Children will be encouraged to dream big, to question, and to embrace their natural curiosity. Through hands-on, do-it-yourself projects, they will embark on a journey of discovery, learning innovative skills that will shape their future in profound ways.

With immense gratitude, we extend our heartfelt thanks to ASED (Action for the Support of Deprived Children) and their esteemed Country Head, Ms. Sudha Parthasarathy, whose unstinted support gave us the push to start the construction of The Tinkering Lab.

**THE JOURNEY OF THESE CHILDREN, ONCE BOUND BY THE  
CONFINES OF THEIR CIRCUMSTANCES,  
HAS TAKEN A NEW TRAJECTORY TOWARDS A FUTURE  
FILLED WITH HOPE AND OPPORTUNITY.**

## FROM CRISIS TO CARE: AASRAA'S COVID RELIEF 2.0 EFFORTS

**In the face of the relentless challenges brought on by the second wave of Covid-19, Aasraa Trust stood strong in its mission to empower the lives of the vulnerable members of our society.**

### Extending a Healing Hand Across 6 Districts:

Aasraa's Covid Relief 2.0 efforts reached far and wide, touching the lives of those in need across 6 districts of Uttarakhand. Our dedicated team distributed urgently needed medicines and equipment at 22 different locations in Dehradun, Tehri, Chamoli, Rudraprayag, Uttarkashi, and Pauri. Our commitment to healthcare went further as we supplied essential resources to 10 Community Health Centres, ensuring that medical facilities were well-equipped to tackle the crisis head-on.

### Nurturing Hope with Child Covid Care Units (CCCUs):

Aasraa stepped up to establish two Child Covid Care Units (CCCUs) in Chinyalisaur, Uttarkashi, and Pokhari, Chamoli. These specialized units were designed to provide comprehensive care and support to children affected by Covid-19, offering not just medical aid but also comfort and solace to the little ones and their families.

### The Silver Lining Project - Bridging the Educational Divide:

As schools closed their doors, Aasraa embraced innovation through "The Silver Lining Project", keeping our children connected to education despite the challenges. We distributed smartphones and tablets preloaded with e-learning and video calling apps, powered by Aasraa sponsored Sim Cards. **Witnessing the power of technology, 264 smart devices reached the hands of more than 2000 children, transcending barriers and fostering a love for learning.**

# IMPACT

---

**THERE IS NO UNREACHABLE OR UNTEACHABLE CHILD.  
WE BELIEVE EVERY CHILD SHOULD HAVE ACCESS TO QUALITY  
EDUCATION. WE LEVEL THE PLAYING FIELD AND CREATE PROGRAMS  
TO ACHIEVE EDUCATION FOR ALL.**

# Impact in Numbers

<b>170</b> children mainstreamed into schools	<b>1,710</b> children enrolled into Partner Schools & Open Schooling	<b>541</b> children in Street Smart program
<b>1851</b> children in the After School Remedial Program- Wings of Doon	<b>124</b> youth enrolled in Vocational Training	<b>84</b> children in the Special Needs program
<b>48</b> children enrolled in colleges	<b>292,991</b> Meals provided	<b>3000</b> Winter care packages distributed
<b>174</b> children benefitting from Mobile Learning Centres	<b>185</b> children residing in our Shelter Homes	<b>1209</b> children provided with medical care

# EVENTS

## HT CODE-A-THON 2021

Aasraa Trust took a significant stride towards empowering its students by enrolling 306 young minds in HT Code-A-Thon, India's prestigious Coding Olympiad. This internationally recognized platform not only enabled our students from the marginalized backgrounds to showcase their coding talents but also provided them with an invaluable opportunity to develop critical coding skills. It is indeed empowering for these children to have this golden opportunity to learn from this amazing platform that Hindustan Times has created for young children.

Aasraa Trust is grateful to help alliance of the Lufthansa Group for making the collaboration possible.

# EVENTS

## ‘GIRLS BACK TO SCHOOL’ INITIATIVE SUPPORTED BY LIBERTY

We are thrilled to announce the launch of our Girls Back to School Post COVID initiative in Dehradun, supported by Liberty. This program aims to empower women from less privileged backgrounds by providing them with essential sewing skills under professional guidance. By fostering financial independence, these women become role models for others aspiring to a dignified life.

The vocational center in Dehradun will not only train women but also contribute to encouraging school attendance post-COVID. The trainees will be involved in stitching uniforms for girls rejoining school in the new academic session.

The launch event witnessed the presence of Ms Shaila Brijnath, Chairperson of Aasraa Trust, Ms Vandana Awasthi, the center in-charge, Ms Manider Kaur, the quality control coordinator, and Ms Hamida, the master trainer for the sewing program.

We extend our heartfelt gratitude to Liberty Shoes for making this initiative possible. Together, we strive to create a positive impact on the lives of these women and the community as a whole.
